THE ENTREPRENEURIAL SPIRIT OF A CALIFORNIA WINE PIONEER

In 1881 Madrone Vineyards owner, George Whitman granted a portion of his vineyard land to the Sonoma-Santa Rosa Railway. A historic train, “The Whitman Express”, brought passengers between San Francisco and Santa Rosa and played a pivotal role in the development of Sonoma. We pay tribute to the entrepreneurial spirit of this California wine pioneer with The Whitman Express.

Like George Whitman, we capture the entrepreneurial spirit of wine with a lineup of wines suited for any occasion. We offer an award-winning red blend, The Conductor, a distinctive Zinfandel, and a bright-crisp Pinot Blanc.

All of our wines are sourced from the world famous wine region of Sonoma County, California and are produced by award-winning winemaker, David Marchesi.
